La SARL Bouvard Frères is a contractor company doing all sort of agricultural and roadwork. They are located in Saint Bénigne 01, centre east of France. They have:
 4 harvesters
 6 tractors
 3 trailers
 1 slurry tanker
 1 self-propelled sprayer
 They are looking after 2000 hectares (all together) for different services.

La SARL Bouvard started to use Alliance tires on a trailer. As they were satisfied by the job done with Alliance tires, they decided to try on others machines as well. Alongwith their tire dealer, Guillaume Thevenin (Agripneu Services), ATG showed and explained them the benefits and different solutions they can have with Alliance tires.

They are using a special machine for harvesting carrot, where their Case CVX 230 is working. Lot of traction is required for this job. They fitted 710/70R38 A365 171D and 600/65R28 A365 147D. the Case CVX 230 is also used with the slurry tanker.
 The machine has run aproximately 1200 hours as of now and the tires are still in very good condition and with low rubber

wear. (47 mm left on rear tires and 38 mm left on front tires).

Guillaume Bouvard said **"I m is very satisfied with the way tires have performed. The tire provides very good traction on field, great comfort and efficient self cleaning abilities."**

The customer also own a Joskin slurry tanker, 20 000 liters working with A-390, 750/60R30.5, 190D HD, inflated with 5 bars. The tires give very good behavior in fields and comfortable for road transfers.
